David Stoffel, Agriculture Biologist
(530) 527-4504 email: dstoffel@tehamaag.net
1760 Walnut Street, Red Bluff Ca 96080

WMA Group:

Tehama County, member: Colusa, Glenn, and Tehama Counties weed management area.
Confirmed, 1 contract with Tehama Dept. of Ag

Project Objectives:

- A) Focus on eradication A-rated and some B-rated noxious weeds from Tehama County.
- B) Hire a seasonal Agricultural Aide that will map and work with county spray crews based on project priorities established by county agriculture department.
- C) We will survey and treat skeleton weed along I-5 and know areas in County. Whitehorse nettle in various locations north and south of Red Bluff. Oblong spurge in the Los Molinos area to Sacramento River.

Equipment:

This will include Ford F350 4x4 with 400-gallon tank; ATV 4x4 with 15-gallon tank and one solo back pack.

Mapping:

New and current locations will be mapped by GPS. All areas treated and surveyed will be displayed on a map that will be submitted to all WMA partners and CDFA at completion of this project.

Reporting:

A project report will be submitted at the completion of the contract and will include the following information: net acres or number of plants treated if less than 100 plants, gross area surveyed, control tool utilized, % change (reduction) between visits,

graphs showing differenced in acres treated between years for each species addressed, and photographs.
